HINDUISM — Hinduism is not a religion but a large family of diverse beliefs.

- **Ultimate Reality (Brahman):** all existence flows from one impersonal, supreme reality beyond form or name. Although, not everyone believes this as some believe in annihilation.
- **True Self (Atman):** each person's real self is eternal and divine, not merely a body or mind.
- **Dharma:** life must be lived according to one's station, duty, ethics, and role in the world. You get karma from Dharma.
- **Karma & Samsara:** actions have moral consequences; the soul cycles through birth, death, and rebirth driven by karma and dharma (human effort).
- **Moksha (Liberation):** the ultimate goal is release from the cycle of Samsara — realising unity with Brahman. The goal is to cease suffering.
- **Many Deities & Paths:** Hindu practice includes devotion to various lesser gods and diverse spiritual paths, but all are seen as means toward the same ultimate reality. Millions of gods are expressions of three main gods. **Brahma** – creator, **Vishnu** – preserver, & **Shiva** – destroyer. Some branches say that you don't need a god at all - Liberation, comes through knowledge, discipline, and inner realisation rather than trust in a divine rescuer.

HINDUISM — What the Bible Actually Says

- **One True God, Not One Among Many, we are not gods - (Isaiah 43:10)**
- **The universe is not divine**. **It was created by God out of nothing. (Gen 1:1)**
- **God Is Personal, Not an Impersonal Force: He speaks, loves, commands, forgives, and judges (Jn 3.16,17,36; Ps 103:8–13). He will answer our prayers (1 Jn 5:14–15, Jam 5:16)**
- **Jesus Cannot Be Added to a Pantheon:** "I am the way, the truth, and the life. No one comes to the Father except through Me." (John 14:6, 1 Thes 1:9)
- **God is Jealous & protective like a good husband, He is God to all people: "I will not give My glory to another." (Exodus 20:3, Isaiah 42:8, 45:5)**
- **Your soul is Eternal but Not Divine:** Humans are created *by* God, not expressions *of* God. (Genesis 1:26-31, 3:19) We bear God's image, but we are not gods (Isaiah 43:10). He will give his faithful eternal life with him (Rom 6:23).

One Life, Not Endless Rebirth. "People are destined to die once, and after that to face judgement" (Hebrews 9:27)

Sin Is Not Ignorance — It Is Moral Guilt: Our problem is not lack of enlightenment but rebellion against God (Romans 3:23, 6:23).

Salvation Is Not Earned by Dharma & Karma. Good works cannot cancel guilt. Forgiveness is a gift of grace, not a spiritual achievement (Eph 2:8–9, Gal 2:16).
